

ACT SCORES

Your child took the ACT test as part of the Prairie State Testing. Scores for the state testing (Day 2) are required by law to appear on your child's transcript. However, it is optional whether or not ACT scores are placed on the transcript. Please indicate one of the following choices in regard to the ACT scores received in the PSAE testing. **Scores will not be posted until this form is signed and turned in to the office.** Please turn in during the first week of school. Thank you!!

I give permission for ACT scores to appear on my child's official transcript.

I do not give permission for ACT scores to appear on my child's transcript.
