_____ _____

Prescriber's Signature Date

If the medication is an asthma inhaler or epinephrine injector, be also sure to complete the section above and attach the required label and/or written statement as required above.

Please initial to indicate (1) receipt of this information, and (2) authorization for your child to self-administer medication under a qualifying plan.

_____

Parent/Guardian Initial

For only parents/guardians of students who need to carry and use their asthma medication or an epinephrine injector:

I authorize the School District and its employees and agents, to allow my child to self-carry and self-administer his or her asthma medication and/or epinephrine injector: (1) while in school, (2) while at a school-sponsored activity, (3) while under the supervision of school personnel, or (4) before or after normal school activities, such as while in before-school or after-school care on school-operated property. Illinois law requires the School District to inform parent(s)/guardian(s) that it, and its employees and agents, incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-carry and self-administration of asthma medication or epinephrine injector. 105 ILCS 5/22-30, amended by P.A.s 100-726 and 100-799, eff. 1-1-19.
Please initial to indicate (1) receipt of this information, and (2) authorization for your child to carry and use his or her asthma medication or epinephrine injector.

_____

Parent/Guardian Initials

For all parents/guardians:

By signing below, I agree that I am primarily responsible for administering medication to my child. However, in the event that I am unable to do so or in the event of a medical emergency, I hereby authorize the School District and its employees and agents, on my behalf, to administer or to attempt to administer to my child (or to allow my child to *self-administer* pursuant to State law, while under the supervision of the employees and agents of the School District), lawfully prescribed medication in the manner described above. This includes administration of undesignated epinephrine injectors, opioid antagonists, or asthma medication to my child when there is a good faith belief that my child is having an anaphylactic reaction or opioid overdose, or asthma episode, whether such reactions are known to me or not, and if applicable, undesignated glucagon when authorized by my child's diabetes care plan and if my child's glucagon is not available on-site of has expired. 105 ILCS 5/22-30, amended by P.A.s 100-726 and 100-799; 105 ILCS 145/27, added by P.A. 101-428. **I acknowledge that it may be necessary for the administration of medications to my child to be performed by an individual other than a school nurse and specifically consent to such practices,** and

I agree to indemnify and hold harmless the School District and its employees and agents against any claims, except a claim based on willful and wanton conduct, arising out of the administration or the child's self-administration of medication.
