January 10, 2012

Dear Eighth Grade Students and Parents:

In seven months, the class of 2016 will enter Amboy High School. We, the students, faculty and staff of Amboy High School, would like to invite parents and incoming ninth grade students to the Amboy High School Auditorium on **Tuesday, February 21, 2012 at 6:30 P.M.** for an orientation.

We are excited about the opportunity to introduce our staff, educational programs, course offerings, and the many extra-curricular activities we offer. This night will be a tremendous opportunity to gain clarification about these programs and high school expectations. Information will be presented to help incoming high school students plan their courses for the 2012-2013 school year and learn about the exciting opportunities for their next four years of education.

Please join us for what will be an insightful evening for students AND parents. We need to know by **Thursday, FEBRUARY 16TH** if you will be in attendance. Please RSVP the high school office at (815) 857-3632 ext. 300.

Sincerely,

Ronald R. Gruber
